

TIDINGS

November 2023

Newsletter of St. Timothy's Episcopal Church Danville, CA

Finally, cooler days. I usually give you the rundown of 'happenings' in church. But before that, I want to get more theological. I've been thinking about what Church is, and how it is the hope of the world embodied.

A local church planted in a particular place and time can be an image of the life of God. It can be the open arms of Jesus or a scolding hypocrite, and we have the privilege to always be choosing the former. We're not quite ready to give you the latest update on Vital + Thriving. But soon and very soon.

We are making a new community that stands on the legacy of success we have had. This history pairs well with our freedom celebrate God who is shaping us for the future. As we move into the future, we will partner with local communities not just for outreach, but also for the nuanced work of creating a spiritual rest stop for people of every generation. My work with our youth has proved, at least to me, that our future is collaborative and generously open with other local Episcopal Churches.

We have the challenge to balance the very best of our past with our explorers' heart for the future. Before the full report comes out, I want to say thank you for those who conducted the one-on-one interviews for Vital + Thriving. I want to thank you all for participating in the listening event. There will be lots of layers to explore ahead.

Stewardship Drive and Ingathering Sunday on Oct 29th I am grateful to Eric, Allen, Teresa, and Margaret for their stewardship sharing. I am also very pleased with our stewardship chair Meghan and the stewardship team's work to make all the "plates spin." It was a delightful Sunday, and there will be pictures inside this Tidings.

Convention (Oct 27th and Oct 28th) and follow up on Wednesday November 1st I want to thank our delegates representing St. Timothy's at convention. If you remember, we had a pre-convention meeting on Oct 22. If you would like a recap, you can also come via Zoom, November 1st at noon. You can ask any questions about what happened at convention. The delegates who are able, will join the Zoom. The link will be on the website, and it will be recorded.

Bikes The bike ministry is up and running. We are located at 140 A Alamo Plaza in the Alamo Shopping Center. Email Tania H-D taniahd@comcast.net to see how you can help.

Rise Against Hunger, November 4th Sign up on the website or email the office ASAP to join on that Saturday. This event has scouts, youth, church members and you helping pack thousands of meals for global distribution.

Daylight Saving Time and All Saints, November 5th Your clocks will fall back on November 5th when we celebrate All Saints' Sunday. We will remember all who passed in our community since All Saints 2022. The fancy name for this is "the reading of the necrology."

Also, that Sunday, November 5th Bishop Candidates Meet and Greet at St. Paul's, Walnut Creek. 1pm - just show up.

Fellowship Lunch, 11:30am November 8th Come to our fellowship lunch on Wednesday in the Parish Hall. We will explore Artificial Intelligence (AI) and Machine Learning (ML) stuff. No tech skills needed. Sign up link is on the website.

Rice and Beans packing, November 12th Help us get ready for Christmas food boxes for Monument Crisis Center after both services.

Rector Open House, also November 12th, same day as rice beans @ 5pm Come to my house for dinner and fellowship! Sign up on website.

SRVUSD Board Meeting, November 14th

Along with other members of I-SRV, I will be going to make public comment to speak in favor of the district's initiative on equity and inclusion. I recently had a meeting with a district leader to ask them how I, we, and all people of faith can support the district. They clearly asked for our faith voice as a welcome addition at the meeting. The time for comment on this specific agenda item is still TBD. Do you want to join me, other leaders, and other faith community partners? Let me know, and I will keep you in loop to either make public comments or just be present in support.

Pizza Club at Grace Church Martinez, November 19th, 1pm

Deanery youth gathering will be in Martinez this month. Because pizza club and interfaith thanksgiving are very close together. I need to leave Martinez at 2:15pm. Could I have a parent driver take youth back to St. Timothy's?

Also...Thanksgiving Interfaith Celebration, November 19th, 4pm at St. Timothy's Come to church on Sunday at 4pm when the interfaith community will gather here at St. Timothy's to celebrate Thanksgiving. We are asking for you to bring non-perishable food items that day and in a few weeks we will designate the ministry beneficiary of your monetary gifts.

Adult Ed December I know that many of you are praying for the Middle East. I have been thinking about leading a zoom based Adult Education in Advent. Also, I have learned that a hybrid in-person / zoom Sunday School is nearly impossible to pull off well. So, as we approach Mid-November, I will have links on the website for you to join a zoom only class on the political, religious, and social history of Israel / Palestine with an eye on understanding our faith and the strength to care deeply. By the time we have the bible study, things will be different on the ground, but the call to study and service won't.

STEWARDSHIP THANKS FROM THE RECTOR

I want to thank Meghan G and the whole team for clear and energetic communication during our stewardship drive.

Thank you again to our stewardship speakers Margaret B, Teresa R, Allen H and Eric P. We all benefited from their willingness to be open and hopeful. I loved the stories ranging from India to Mississippi. Thank you to the food coordinators/fellowship hosts and the many people who helped clean up afterwards. I am extremely grateful for the work of the stewardship team. This year was a lot of fun.

Thank you to everyone who came out to celebrate Covenant / Ingathering Sunday with us. It truly felt like a celebration of our love for God, the Church, and our lives. We hope that this year was as meaningful for you and your families as it was for us on the Stewardship Committee.

Thank you for your pledges and forms, for your ongoing generosity, and for the faith you continue to demonstrate. If for any reason you need another pledge form, they can be found in the front office or in a PDF fillable version on our homepage and can be returned to PledgeS@sainttimothysdanville.org.

If you forgot to pledge, it's not too late. We will update you on pledge count and dollar amount soon. Check the website or call the office for anything you need.

STEWARDSHIP THANKS FROM THE CHAIR

Thank you to everyone who came out to celebrate Covenant Sunday with us. It was wonderful to join together as we expressed our love for God, the Church, and all God's children. Our time, talent, and treasure are the most precious resources we share with others in God's work.

Thank you again to our Stewardship speakers Eric P, Allen H, Margaret B, and Teresa R. We all benefited from your willingness to be open and vulnerable. Thank you for sharing your stories of finding St. Timothy's and your visions for the future. Thank you for all of your pledge forms, for your ongoing generosity, and the faith you continue to demonstrate to the Lord and St. Timothy's mission.

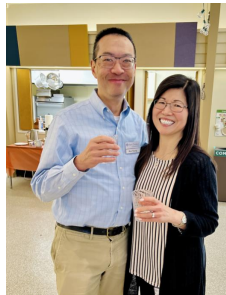

Finally, a giant thank you to the entire Stewardship Committee for making all of this possible.

DIOCESAN CONVENTION RECAP

We are so grateful to John, Mike, Liz, Lisa, Jim, Cecilia and Allen for being 2023 delegates as well as Mary Louise serving as an alternate to convention. If you're interested in hearing their 'take' on convention, join us Wednesday, November 1st, 12pm via zoom. The link is on the front page of the website as well as directly link here: <https://us02web.zoom.us/j/86150279450?pwd=WEFRSoMxbkEwcEdoZy9nVVJ6MWp1QTO9#success>

Everything has gone high-tech! There were TVs everywhere in the cathedral. All delegates and clergy voted from their computers, tablets, and phones using "VPoll." This in-person tech is serving as a dry run for the bishop electing convention on December 2.

Specific to this year's convention, all five proposed resolutions were passed, and we approved next year's budget. Two visitors addressed the convention: Nancy Pelosi and Rabbi Jonathan Singer of congregation Emanu-El.

It was full day and each resolution was carefully considered with resolution 5 (regarding prison ministry) receiving the most debate and attention. If you are not sure what the resolutions were, you can visit our page.

CONNECTIONS ARE A GIFT OF LOVE

Connections are a Gift of Love.
God, help me to Love all your people...

As we began to talk it appeared as though her eyes were focused on somewhere else - another time, another place. The tears fell quietly, as she remembered her dad who was working in the hospital when it was bombed and her home in rubble. News sometimes brought back uninvited memories.

My friend said little to me before the baptism of their daughter-only that her husband and his older sister were born in a refugee camp; his sister had the worst of it. - His parents had survived, but it was a long journey getting to America. Her in-laws didn't talk about surviving.

The story was joyful. The grandmother had just returned after having met her new grandson and seeing her two older grandchildren so happy and growing strong. Then, two days of not being able to reach anyone. The call came. "We are alright. We are

staying with friends."

We all have moments that crash into the present. Occasionally we remember the luminous joy of Love; sometimes we are startled by memories we believed we left in the past. When we recollect a person we have loved or a moment when everything fell apart, we are grateful that someone is listening to us. *God, help us to listen, help us to pray.*

For many, this time of conflict and stories from the news challenge our capacity to witness the pain and devastation happening in the world around us. News stories of violence and natural disasters can remind us of events that shattered our own lives or family. The harm done by violence enters our very bones and we long for a healing breath from God—for ourselves, for our family, for our friends, and for the scarred world. *God helps us to heal. God, bring healing in our world in a way I know I do not understand.*

Jesus cared for the broken, the sick at heart and the sick in mind. Jesus loved the leaders and the sinners, the humble and the proud. Jesus loved the children. Jesus suffered and died, witnessed by leaders of political and religious institutions and people that loved him and people that did not know him. God's promise of resurrection was a new life, a new heart, God's own heart in Christ in us. We are called to pray, to purify our own hearts, to weep, to lament, to fast, and to listen. *In Christ's Love may we be bearers of Peace to one another and to the strangers we do not know.*

"Lord God, we pray, by your great mercy, defend your children from all perils and dangers of this night. Amen"

Peace,
Susan

RICE AND BEANS

RICE AND BEANS FOR CHRISTMAS FOOD BOXES – SUNDAY NOVEMBER 12

On Sunday, November 12, join us in the parish hall after the morning services to bag rice and beans.

QUESTION: Who can help with this activity?

EVERYONE – We will scoop rice or beans out of big bowls on the table and put them into a quart zip lock bag. The bags are zipped closed and put into a bucket. When Christmas Food Boxes are filled at church or by parish members or Noah’s Ark Pre-school members, we add 1 bag of rice and one of beans to each box.

QUESTION: Why do we add bags of rice and beans to the Christmas Food Boxes?

Several years ago, the staff looked for a way to involve the children in the parish in the Christmas Food Boxes Outreach activity. Lori Robinson came up with the idea of bagging rice and beans and adding it to the boxes. We have continued to do that since then.

QUESTION: Why rice and beans?

Rice and beans is a dish made from a combination of staple foods in many cultures around the world. The grain and legume provide several important nutrients and many calories, and both foods are widely available. Rice and beans are vegetarian and make up a complete protein. A 1 cup serving of rice and beans has 32 percent of an adult’s daily intake of energy-providing, complex carbohydrates. *Wikipedia.*

CHRISTMAS FOOD BOXES FOR Monument Crisis Center

<https://www.sainttimothysdanville.org/christmas-food-boxes.html>

Halloween is almost here and that means it's time to prepare for our annual effort to make the holidays a little brighter for our friends who are clients at Monument Crisis Center (MCC). Each year since 2011 (except 2020), St. Timothy's has supplied over 175 boxes of food for MCC clients.

Great News #1: We do not need to include a grocery gift card in the box. Monument Crisis Center with the help of the Food Bank is covering that requirement this year. Everyone's cost this year is less!

Great News #2: Alamo Safeway will again deliver our grocery order for the Fill-My-Box boxes to the church on Friday, December 1 so we can fill boxes on Saturday morning, December 2!

MY-OWN-BOX – Families can shop themselves using the list from Monument Crisis Center and donate \$3 to cover the cost of the box, rice and beans. Sign up at church, or online or send an email to Sally.

Cost: \$3 per box

ADOPT-A-FAMILY BIKES

What is it? Adopt a Family Bikes is program that started at St. Timothy's in 2002. Bikes are donated by individuals and bike shops in the community, and volunteers clean, and repair the bikes. A new helmet accompanies all bikes, and new U-locks go with every bike for middle schoolers and older. The bikes are distributed to local non-profits, Title 9 schools, and thru school counselors at SRVUSD. Each year we move into donated space in November, and deliver the last of the bikes when school opens again in January. 263 bikes were donated last year just from this holiday program alone. This year we are starting 3 weeks earlier!

Where & When? We are located in the **Alamo Safeway shopping center** in Suite 140A next to **Rite Aid**. We will be open **Saturdays & Sundays 10-5** (except possibly Thanksgiving & Christmas weekend). The schedule will vary after Christmas depending on supply and demand. We will vacate the space before January 21st. Our schedule is posted at www.adoptfamilybikes.org/welcome/schedule

Donated Bikes are accepted during our operating hours until we reach capacity, usually around Dec. 10th. A donation of \$25 per bike is requested to defray the costs of helmets, parts, locks, and delivery. Cash or checks made out to St. Timothy's with a note Adopt-A-Family Bikes. Please no rusty bikes. Bike trailers are much needed for the homeless. Scooters, bike tandems, wagons, and plastic riding toys are not accepted. Adult and child tri-cycles are welcome.

Volunteers need not be bike mechanics. If you can wipe down a bike, that is up on a table, with **409** then we need you! Mechanics welcome too! No need to sign up, just walk in! Volunteers are needed through Christmas at the same times and location. The suite is heated and there is a drinking fountain/bottle filler. Yes, children under the age of 16 welcome with adult supervision.

Bike recipients include, but are not limited to: Options Recovery, Trinity Center, San Ramon Valley Unified School District, Mt. Diablo Unified School District, Youth Homes, Students Rising Above, and SFSU Guardian Program.

CHILDREN'S LITURGY

During Children's Liturgy, which begins at 10:00am, we take time to light candles, look at the church calendar, pray, sometimes sing, share a reading from the Bible, and do an activity. This month we will also look at different saints of the church. Saints are people whose faith leads them to be witnesses to the Love of God in Christ and change the hearts of the people around them. We all probably know some saints in our lives! (Remember "I Sing a Song of the Saint of God?") As Episcopalians we talk about the communion of saints, saints who are examples in our lives and Saints of the Church like Saint Timothy's. Do you have a favorite saint? Why and how do the saints in your lives help you to live a life closer to God?

*They lived not only in ages past;
there are hundreds of thousands still;
the world is bright with the joyous saints
who love to do Jesus' will.*

*You can meet them in school, or in lanes, or at sea,
in church, or in trains, or in shops, or at tea;
for the saints of God are just folk like me,
and I mean to be one too.* H 293

Hope to see children ages 3 to grade 2—older children welcome to be leaders--at Children's Liturgy. We join family in church at the time of the Peace. Children won't miss their milestone birthday prayer!

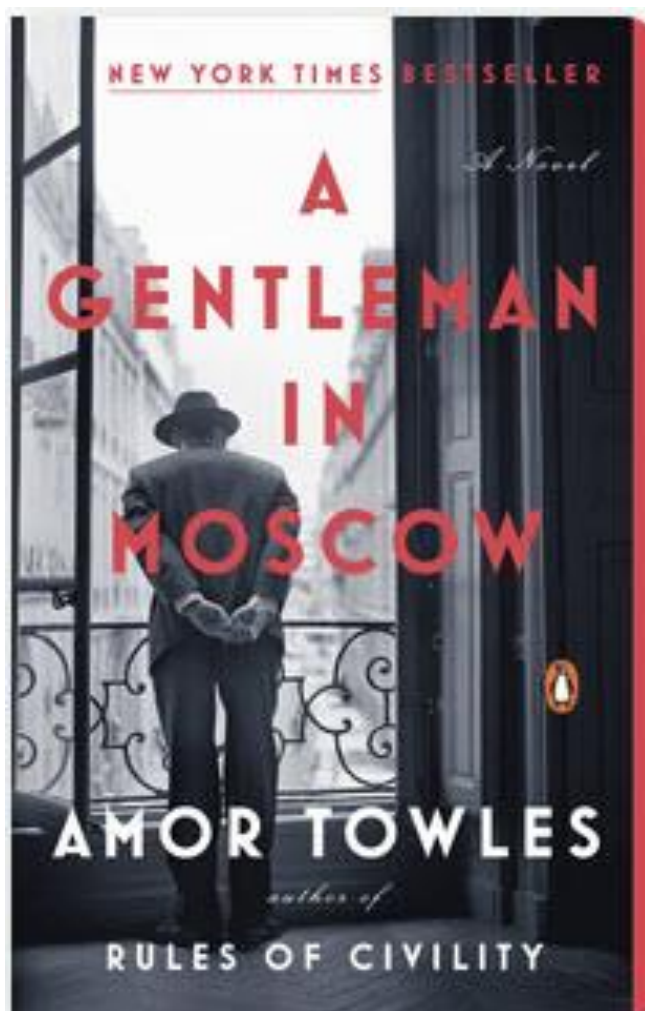

BOOK GROUP

SUNDAY, NOVEMBER 19 – 11:15 AM – OVERBY LIBRARY

Join the St. Timothy's book group in reading (or rereading) *A Gentleman in Moscow* by Amor Towles and coming to the Overby Library on Sunday, November 19 to discuss it.

The story begins when Count Alexander Ilyich Rostov is unceremoniously sentenced to life imprisonment in Moscow's Metropol hotel. And for all that it is a prison, it is a luxurious one. The year is 1922, and behind it all, looms the haunting specter of a country that is at the fragile end of a brutal history: an ill-timed glance or a foot set in an unfortunate spot can bring down death and woe upon anyone, in the form of a bullet to the head or an exile to Siberia.

Alexander Ilyich Rostov, however, finds a fire, a ferocious brightness in this new existence. The Hotel Metropol is a world unto itself, and within its walls, "the world," has indeed, "come and gone". Over the years, Alexander forges a link between him and several residents of the hotel—the chefs, the doormen, the bartenders, the seamstresses—and creates a door that he can knock at and count on being opened at any time. But soon, the long years begin to press into Alexander's life from every angle, and he begins to feel, for the first time, the true weight of his sentence. The fear that he wouldn't ever leave the hotel, that he would stay and grow old and bent and be put in the ground there, is now a constant echo knifing through the count's thoughts. The hotel is Alexander's prison, and it is his sanctuary, but for how much longer can it be either?

According to one reviewer: *"This is a novel with an abundance of things to say, with profound moving ruminations on selfhood, friendship, parenthood and the devastating unattainability of modest hopes. It is a novel driven so fiercely and so clearly by a deep urge to make observations about people, to see them, truly see them, and in turn, let them see themselves in all their glorious and sometimes mundane glory. The resulting narrative is an emotionally and intellectually rewarding experience; people, after all (to borrow some of the Count's own words) "deserve not only our consideration, but our reconsideration."*

FOTH 2023 & OUTREACH GRANTS

St. Timothy's certainly knows how to party, and we always step up for Outreach. Our 2023 FOTH event, *Mama Mia That's Italian*, raised over \$52,000 after expenses. The annual allocation from the Operating Budget of \$18,000 and carry-over funds from prior years added to the FOTH proceeds and gave us \$71,619 to distribute to our Outreach organizations.

We gratefully thank everyone for this wonderful outcome.

To the volunteers who helped plan and execute this great party, **THANK YOU!**

To the members and friends of St. Timothy's who partied and donated, **THANK YOU!**

To those who prayed and played with us, **THANK YOU!**

This is what **you** made possible:
